Wind some

19. xi. 1903.

Edw. R. Mason.

I think the enclosed will do
you well. If you will send me 20
copies of the invitation as pamphlets
with ^{a dozen of} them to the best teachers
in this district. If any of these cannot
come I will do my best to fill of
their places immediately.

I propose to send me to the Town,
The Craig, Wind some, who has a
small boys school. He is a very
old friend of mine, is earnest & able.

your wholesome doctrines. Another
invitation I should propose to send to
help women. Headmistress of the
Girls' High School at Kendal &
get another to help Cooper as a
sustaining member of the
Westminster L. E. A. May I
have your permission to do so?

I am very much in search
about this enterprise & I should

I assume that you
will take the Chair -
& then you can
bid me ex proforto
at the right moments -
I have put off luncheon
as I think we must
have 2 hrs for talk -
